Passionate and fast learning Front End Developer with skills in HTML, CSS, Javascript, Tailwind and AlpineJs with an year and a half of experience gained since I graduated high school and to be honest, this is the most intense and enjoyable thing I've ever done. I like facing problems, little bugs and start doing research until I find their solution. Every day is a new challenge and by the end of that it's only one goal: learning new things.

## Professional Experience

### Web Developer

Virtual Ink | May 2021 -

Present

This job officially paved the way for me in this vast and amazing world of IT.

There's some things I did here:

- I kept constant maintenance of the projects and made changes to them following the requests received.
- Coded on multiple small websites using CSS, HTML and Javascript
- I expanded the Front End area by learning Tailwind CSS and Alpine Js.
